

## Coconut Macaroons

### Ingredients

- 2 Egg Whites
- 80g Caster Sugar
- 200g Desiccated Coconut
- A few drops of Vanilla Extract
- 90g Dark Chocolate
- Pinch of salt

### Method

Whisk together the egg whites and caster sugar in a large bowl for 2-3 minutes until light and frothy, and the sugar has dissolved. Add the coconut, a pinch of salt and the vanilla, then stir until combined. Leave to stand for 10 minutes.

While the mixture is resting pre heat the oven to 170c (150c fan) And line a baking sheet with baking parchment. Scoop heaped teaspoonfuls of the mixture and roll into compact balls, then arrange on the prepared baking sheet. Bake for 10-12 minutes until golden.

Leave on the baking sheet to cool completely. Whilst cooling gently melt the chocolate. Once melted dip the bottom of each macaroon into the chocolate whipping off any excess. Arrange on a sheet of baking parchment chocolate side up and leave to set. Any left over chocolate can be used to drizzle over the top once the base is set.

If you would like to receive the flower show schedule early please remember to add your email address to our mailing list. This will enable us to email you the programme long before we get them printed, allowing you to plant accordingly and get organised early
